

DISTILLING PRODUCT OF THE YEAR (WHITE SPIRITS)

THIS COULD BE YOUR TIME TO SHINE

The Distilling Award is open to Scottish food and drink companies whose product is manufactured and bottled in Scotland. Products using NGS not made in Scotland are eligible, as long as a compounding process, or distillation has occurred in Scotland. Products made by contract are also eligible, if the above criteria applies. Products may be new to market or well established but must have been in market since June 2022 or before. Tasted products can be for either the foodservice or the retail market, and will be judged within the relevant context

With the exception of Best for Scottish (Independent) and Best for Scottish (Multiple), any product or business that won an award in 2022 is not eligible to enter that same category again in 2023.
