

FREE FROM PRODUCT OF THE YEAR

THIS COULD BE YOUR TIME TO SHINE

The Free From Award will be presented to the business that has demonstrated a strong commitment to developing the most innovative/ground-breaking manufactured product, specifically designed to be free of one or more of the five main allergens: milk, gluten, eggs, nuts and soy. New concepts, innovative use of ingredients or manufacturing techniques, unusual recipes, new ways to deliver health or flavour. We want to know about them.

Products may be new to market or well established but must have been in market since June 2022 or before. Tasted products can be for either the foodservice or the retail market, and will be judged within the relevant context. With the exception of Best for Scottish (Independent) and Best for Scottish (Multiple), any product or business that won an award in 2022 is not eligible to enter that same category again in 2023.

We know how busy working in food and drink can be, so have made the application process as simple as possible. We'll ask you for some key information about your company and the product being entered, including some details on future ambitions. You can save your progress and return any time.
